FLASHBACK 80-81

If all the things have changed the way,
 All the things would be the other way,
 It is a funny thing

There is a great deal of
 things in the world
 that are not the same
 as they were before
 and it is a very
 interesting thing
 to see how things
 have changed
 and how they
 are different
 from what they
 were before

There is a great deal of
 things in the world

Message for Yearbook

When I am asked to write a message for the Yearbook it forces me to reflect on activities at Oakdale. This is a pleasant exercise as I realize all the good things that do take place under the guidance of staff and with the cooperation of students and parents. This year has been particularly gratifying as the conduct and behaviour of students and the increased academic achievements are something of which we can all take pride. Events such as the winning of the Mathematic's Contest in the Western Region, the Elective Day organized by the Staff and Student Council, and the design and sale of school jackets are just a few examples that have contributed to this.

I would also like to thank Mr. Balmer and the Yearbook Staff for this fine pictorial record of the 1980-81 school year and to wish the best of futures to all students particularly those who will be leaving Oakdale at the end of this year. I trust you will take pleasant and rewarding memories with you as you leave and I assure you your contribution to this school is appreciated.

I. J. Allen,
Principal

Track

Last year Oakdale's track & field team consisted of approximately 20 Grade 9 students. It was a very successful season with our girls team winning the North York trophy for the under 15 age category. Our athletes competed in the North York finals, Metro Toronto finals and All-Ontario finals. The 4 girls in the photo competed as a relay team in the OFSSA finals at Etobicoke Stadium and 2 girls, Sonia Pierre and Laura Kirkland competed individually. Bothe Laura K. and Sonia P. collected several winning medals in North York and Metro Toronto. Congratulations to all who participated and we are anticipating another good season in 1981.
